

The **COMPACT** model

Whether indoors or outdoors, our BOOGLE® COMPACT playing grounds were designed for the hospital sector, rest- and personal care homes. Although they are lighter and easier to handle, the quality of the BOOGLE® Compact playing ground is identical to that of the BOOGLE® Premium playing ground.

All the casings of the BOOGLE® COMPACT playing ground are manufactured, pre-assembled and numbered in our workshops, so that they can be put up very easily in less than 10 minutes.

Measurements : 6 m × 1,55 m.

Price : \$ 1980,00
